

Multispecies Health in the City: Going Beyond the Green

29th-30th April 2025, University of Edinburgh

Edinburgh Climate Change Institute. High School Yards, Infirmary Street, Edinburgh EH1 1LZ

**Remaking
One Health**
Indies

Day 1: 29th April 2025

11:15 - 11.30

Arrival and introduction to the workshop

Krithika Srinivasan
Guillem Rubio-Ramon
University of Edinburgh

Managing 'unloved' natures

ECCL: The Pod

11.30 – 12.00

Mouse in the House: The Biopolitics of 'Transspecies Border Crossing'

Heather Lynch
Glasgow Caledonian University

12.00 – 12.30

Animal Politics and Environmental Health: The Ambivalent Ecologisation of Urban Rat Management

Maud Chalmardrier
SNSF - University of Amsterdam

12.30 – 13.00

Unloved Animals and the Pursuit of Urban Health: What Can Freshwater Parasites and Bed Bugs Teach Us?

Joëlle Salomon Cavin
University of Lausanne

13.00 – 13.45

Lunch break

Connecting health and biodiversity

ECCL: The Pod

13.45 – 14.15

Finding Hope in the Depths of Winter: How Snowdropping Connects Us to Nature

Glen Cousquer
University of Edinburgh

14.15 – 14.45

Reimagining Urban Nature: Exploring Social and Ecological Connections in India

Seema Mundoli
Azim Premji University

14.45 – 15.30

Discussion day 1

Keynote lecture

ECCL: Conference Room

16.00 – 17.30

Visioning Healthy More-Than-Human Cities

Alice J. Hovorka
York University

Day 2: 30th April 2025

Remaking urban natures

ECCL: The Pod

10.00 – 10.30

Urban Leopards and Feral Life: Multispecies Health in Landscapes of Urban-Wild Enmeshment

Nitin Bathla
ETH Zurich

10.30 – 11.00

Rewilding and Operational Autonomy in Healthy and Sustainable Multispecies Cities

Christoph D. D. Rupprecht
Ehime University

11.00 – 11.15

Break

Moving beyond the grey, green, and blue

ECCL: The Pod

11.15 – 11.45

Making Breathing Visible: Agricultural Practices and Urban Atmospheres in India

Vasundhara Bhojvaid
Shiv Nadar University

11.45 – 12.15

Mosquito Affordances: Health and Ecologies Beyond the Green and the Grey

Tullio da Silva Maia
University of Amsterdam

12.15 – 12.45

Rethinking Blue Spaces as Multifunctional Landscapes

Sukanya Basu
University of Göttingen

12.45 – 13.30

Lunch

13.30 – 14.15

Discussion day 2
